Welcome to our inaugural issue of Better Together. With summer in full swing, we hope you are finding a bit of fun and some calm wherever you can. Though the pandemic has brought us many challenges, we have also seen opportunities and been inspired by the dedication of our practitioners, the patience of the people we serve and the generosity of the community around us. With that, we would like to share a little about what we learned over the past several months and how our programs are evolving to better support the individuals and families we serve across Hawaii. When we purchace in support of others, as we have many did over the past year, we can achieve great things— we are truly better together.

COMMUNITY IMPACT

In February 2015, doctors diagnosed Nalu with stage 4 cancer and immediately suggested he might only have months to live. After extensive treatment, all signs of cancer were gone. Since then, Nalu has been thriving, thanks in part to Medicaid-funded adult day health and personal assistance and habilitation services provided through the Easterseals Hawaii Employment Services program and landed a job at Pizza Hut when he was able to obtain his driver’s license. Nalu is now happily employed at iHop.

"This is a dream come true!" —Nalu after receiving the keys to his new apartment

Learn how Nalu’s access to critical Medicaid community-based services through Easterseals allowed him to receive the medical attention he needed, find housing and access to friends, training and support.

OUR PROGRAMS

Early Intervention
Autism Services
Adult Home & Community-Based Services

HIGHLIGHTS

2,111 families served
218,510 hours of services
300+ staff maintained through the pandemic

 introduced hybrid care and telehealth

SUPPORTING THE COMMUNITY

If this last year has made you feel more inspired for progress and inclusion, consider joining us by supporting our programs and services. With a community rallying behind the keiki, individuals and families in our care, we get closer to building a world where everyone feels they belong and are equal.

What’s on the horizon:

We are excited to share that we will be launching a new respite program over the next few months. It will be a community-based program for keiki, adults and families in our care. We are closer to building a world where everyone feels they belong and are equal.

Be a part of the Easterseals mission to change the lives of people with disabilities.

I'M INSPIRED!

Mahalo for being Better Together with us!
