

Better Together

SUMMER 2022

Aloha

We hope your summer has been an enjoyable one, with lots of warmth, sunshine and quality time with loved ones. While most families are enjoying summer break, the team at Easterseals Hawaii remains focused on continuing to deliver the kind of person-centered care that meets everyone in our services where they are, year round. Check out how our programs have remained a constant for families, thanks to our wonderful community supporters.

OUR PROGRAMS

Celebrating 75 Years of Service

This month, Easterseals Hawaii celebrated its 75th anniversary of continuing the dreams of its founders by offering flexible, person-centered services that are individually tailored to each participant to help them reach their goals. By taking the entire family into consideration, we're reducing stress for caregivers, building their strength and confidence through coaching and education, and providing supportive services everyone in the family can engage with to better support their loved ones. And, through helping participants integrate into their communities, we're building upon that original vision 75 years ago and working to create a future where everyone feels like they belong.

Friends, staff and supporters of ESH gathering to celebrate

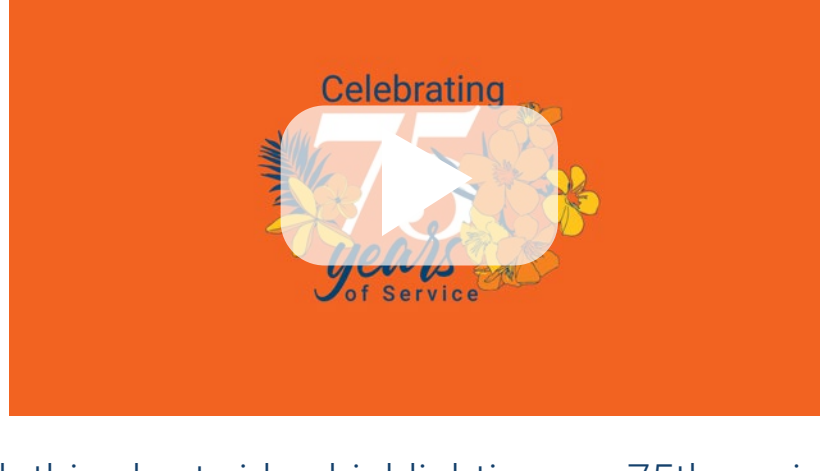

ESH Board members - past and present - and supporters having fun

In honor of our 75th anniversary, we're fundraising to support our adult programming and services. Local support is what helps bring great programs like these to new heights, raising awareness and building a more inclusive world. Our community of supporters and funders enables the dedicated team of practitioners to provide the exceptional, individualized, family-centered services that empower people with disabilities or special needs to achieve their goals and live independent, fulfilling lives.

We look forward to 75 more years of raising awareness and offering care to create equal opportunities for everyone to live, learn, work and play in their community.

IN THE NEWS

We were featured in *MidWeek* in July while we celebrated our 75th anniversary! Profiling the importance of inclusion and belonging for our Adult Day Health program participants and their families, the article highlights why community support is vital to changing the way people view and define disability across the islands. Mahalo to the *MidWeek* team for bringing awareness to the lives, interests and talents of our participants! You can read the full article [here!](#)

SPOTLIGHT

Take a look at our social media channels to see photos from our 75th anniversary celebration at Café Julia in Honolulu on July 21, and learn some fun facts about our history. Follow, like, and share to help others see how important the work done at ESH – by both our participants, their families, and our staff – is for our community.

GROCERIES FOR GOOD AT SAFEWAY

Safeway's annual Boost Their Ability campaign starts this August! For the entire month, you can donate at checkout in stores across Hawaii to contribute to this great fundraiser. The proceeds we receive from Safeway will support ESH's Home and Community-Based Services for adults, and help boost the abilities all of our participants possess.

Donate at your local store this August and let your groceries do some good!

OUR LOCATIONS

You can make a donation in honor of the families in our services, whether they're getting ready for school or thinking about their futures!

Your contribution can go to a specific island in Hawaii – just let us know in your check or online donation.

I'M READY TO DONATE!

Mahalo for being *Better Together* with us!
